

Yes, We Can ABOLISH Nuclear Weapons!

Even Experienced Folks Can **MAKE SMARTER, MORE EFFECTIVE PROGRESS!**

Since the 1940s both political parties have aggressively promoted more nuclear weapons. The government will NOT voluntarily reverse course.

The ONLY way to sharply reduce and **ABOLISH** nuclear weapons is to organize an ever-growing and strategically savvy nonviolent grassroots movement!

We could make more progress with savvier skills and strategies and better resources for grassroots organizing.

Please sign up now for **FREE** online workshops that can help you do that! The workshops emphasize **practical** ways to strategize and reach out more effectively to bring all kinds of people into a strategically savvy nonviolent grassroots movement that can abolish nuclear weapons!

Even if **you** are already well experienced, the series of 6 FREE workshops listed in the box below can significantly strengthen **YOUR** skills and provide more resources for working on nuclear weapons and all of the other issues you care about.
